Our Mission

Securing peace of mind and continuity of care for the aging and persons with disabilities.

For many years, Samantha has served the elder care and special needs communities as they plan for their healthcare and financial wellbeing. Utilizing her legal expertise and compassionate heart, Samantha has successfully helped individuals and families as aging and crisis have left them vulnerable to ensuring self-care. She listens, advises, and walks these challenging roads with her clients while bringing together local, state-wide, and federal resources all to respond most effectively to her clients' needs.

Samantha began her legal career upon graduation from Boston College School of Law and furthered her education by earning an LLM from UMKC. After many years of professional legal experience in the public and private sectors, she started Shepherd Elder Law Group which, as of this printing, has served over 7,000 families in Kansas City and Hutchinson, KS.

Samantha is a member of the Kansas and Missouri chapters of the National Academy of Elder Law Attorneys (NAELA), KC Metropolitan Bar Association, Estate Planning Society of KC, and the KS and MO Bar Associations and, within, has held various leadership positions. Additionally, Samantha serves on the board of Down Syndrome Innovations and is the Founder & spokesperson for the charity, Special Needs Assured.
